## You Want To Learn To Play A Musical Instrument... But Where Do You Find A Good Teacher?

Herts Music Centre is able to solve this problem for you by arranging individual tuition for students that want private one to one lessons.

We currently have 22 music teachers registered with us, teaching a broad range of instruments and styles. We can save you the hassle and time of trying to find an appropriate music teacher. If exams are required we use either the ABRSM, Guildhall or Rock school. All our teachers are qualified professionals and we have interviewed them, confirmed their qualifications, taken up references, and checked their teaching methods; a good player is not necessarily a good teacher!

By doing these checks we ensure you receive the quality of tuition that you want. We are also registered with the governments Disclosure and Barring Service and automatically process a full check on each new teacher. This is a service that we feel is very important and something that many schools omit to do. We believe that it is vital that the person teaching the student has the appropriate background.

### Student Fees, Terms and Conditions

Fees for lessons are £17.50 for a 30 minute lesson, £22.75 for a 45 minute lesson and £28.50 for a 60 minute lesson. Fees are payable **in advance** in either 5 week or 10 week blocks.

HMC Ltd. Collects all fees on behalf of the teacher and its own fees are included in the above amounts. Lessons are generally available throughout the calendar year.

**PLEASE NOTE:** To ensure the continuity of your lesson booking, we will require payment for each set of lessons **in advance** and will debit you card accordingly unless previous payment has been made. In the event of discontinuance or changing of lessons, two working weeks notice is required or two weeks fees in lieu of such notice. *A deposit to the value of two week's lessons will be retained by HMC Ltd and used as such notice payment if card payments are declined.* Lessons missed by the student are forfeited unless notice is given no later than **48 hours** before the lesson is due to commence. Students are allowed to cancel up to three consecutive lessons in extended holiday periods. Lessons cancelled by HMC Ltd will be credited; alternatively a deputy teacher may be used.

### **I agree to the above terms and conditions:**
